

“Come Holy Spirit... Renew the face of the earth.”

October 1, 2022

Dear Parents,

Greetings of Peace!

It is our joy, pride and honor to share with you that we have been invited to be a partner-collaborator and pioneering school for a Peace Education Program with Oklahoma State University and with Manuel L. Quezon University.

This very significant and relevant program shall be integrated as part of our core thrust on Values Formation. Distinguished representatives from the two highly reputable institutions shall be visiting us this week for a program launch involving our Life-Learners and teachers.

In this connection, we are also moving our scheduled 1st Parents Hybrid (face-to-face / online) Seminar from Oct.8 to Oct.15, Saturday, 1:00pm. We want to prepare for the said Peace Program Launching and be able to process and present it more on our Oct.15 Parents Seminar. We aim to have an active forum on Values Formation for our kids, discuss the Anti-Bullying Act and our positive approaches on it, and understand more the Generation Z to which our kids belong.

Thank you for your support and involvement.

See you on Oct. 15.

God's peace be upon us all.

“To God be the glory... Forever and ever. Amen.”

Very Truly Yours,
