

“Come Holy Spirit... Renew the face of the earth.”

Oct. 10, 2022

Dear Parents,

Greetings of Peace!

We look forward to your most valuable attendance to our 1st Parents Seminar for SY 2022-2023 as an important culminating event for our 1st Grading Period.

In this much needed seminar on VALUES FORMATION for your kids, our Life-Learners, we hope to reinforce and come to a common understanding the values we want our kids to live by. Our school puts VALUES EDUCATION not just as a subject but as a core program which we integrate in all subjects, and which we continuously strive to be our way of life.

Included in this Values Seminar is the presentation of our PEACE PROGRAM which is a pro-active, positive way to counter bullying and other forms of aggression or violence. We shall talk about the Anti-Bullying Act which should be a concern for everyone.

Finally, we shall understand more the GENERATION Z to which our kids belong. We’ll talk about their common characteristics, strengths and problems, with the goal of knowing more how to handle them.

This is a seminar you shouldn't miss! Our speaker shall be our School President-Founder, Bro. Alvin Barcelona who has taught Christian Life and Values Education for almost all his life and to almost all levels from grade school to college.He has handled Values Formation not only in our school but also for the church and schools nationwide as a Lay Preacher for more than two decades now, for the government as a World Bank Consultant for the Office of the President (for the past two administrations) for the Integrity Management Program, and in the corporate world as a highly sought-after speaker and training director, again for Values Formation.

We invite all parents of our Life-Learners from all levels and in both modalities (face-to-face and online). To accommodate everyone, we shall have parents of our Junior to Senior High School face-to-face Life-Learners attend in person at our BA Gym. The rest shall join us online via zoom. Links shall be sent to you via our kids’ PAL room.

The seminar shall be this Saturday, Oct. 15, 1:30-4:30pm. The time is to accommodate our parents who are abroad considering their time differences.

For the parents of our Junior and Senior Life Learners under Blended modality, please confirm your Face to Face attendance via our reply slip. Kindly send through your chid’s adviser on or before Thursday.

See you at our seminar - for your precious kids, our beloved Life-Learners.

God bless us all!

“To God be the glory... Forever and ever. Amen.”

Very truly yours,
